NRPA Lesa Meng College Scholarship Application

The mission of the Narrow River Preservation Association (NRPA) is to preserve the quality of the communities and natural environment within the Pettaquamscutt watershed. To accomplish this, the NRPA, through its Board and members, will provide interested and expert volunteers to:

A. Cooperate with environmental groups and local, state and federal agencies in planning and monitoring development within the Watershed.

B. Through education and outreach programs, work to make the community aware of the history, problems and potential of the Watershed.

C. Maintain awareness of changes proposed in the Watershed and insure that they are of benefit to all communities in the Watershed.
