

A message from the SKHS Nurse's office! All 12th grade Students need –

- 1.) Physical needed on file after age 16 years old. Per the Rules and Regulations for School Health Programs [R16-21-SCHO] Section 9.1.2: Effective August 1, 2015, a third general health examination and health clearance will be required upon entry to 12th grade. The general health examination shall be performed after the student turns 16 years of age, and no later than 6 months after the student enters the 12th grade.

- 1.) Meningococcal Vaccine after age 16. Per Rules And Regulations Pertaining To Immunization And Communicable Disease Testing In Preschool, School, Colleges Or Universities [R23-1-IMM] Section 3.3.6 Meningococcal Vaccine Beginning August 1, 2015, all students entering grade twelve (12), who had their first dose at age fifteen (15) years or younger, are required to have a booster dose given on or after sixteen (16) years of age. 3.5.1

Exclusions (a) Students who have not received the minimum number of required immunizations, who are not in a prescribed waiting period between doses, as specified in §3.5.2 (a) of these Regulations and who are not exempt pursuant to §3.5.3 of these Regulations, shall be excluded from the preschool or school by the administrative head of the preschool or school, pending the completion of the required dose(s) of vaccine(s).

Thank you,

Linda Jennings SNT
